

ROLAND BERGER GAP YEAR

Roland Berger Gap Year

The Roland Berger Gap Year offers the perfect chance to combine three great opportunities in one program: Working in consulting, in a startup company and experiencing a new culture by working abroad. During the 9-month program you take advantage of gaining detailed insights in the field of consulting, you get regular trainings, involvement in social events and the support from a mentor.

The program starts on **October 10th 2016**. After finishing all three modules, excellent candidates receive an unconditional job offer as Junior Consultant after finishing their Master studies.

WHAT DO WE EXPECT?

- Students who completed their Bachelor's degree and have the intention to start their Master studies after finishing the Gap Year
- Field of study: Economics as well as exotic specialized study programs
- Excellent grades
- Experience abroad
- Initial experience in a strategic field
- Fluent in English
