

The center for **Adaptive Rationality** directed by Ralph Hertwig at the Max Planck Institute for **Human Development** is seeking applicants for 1 position as

Student Research Assistant (IT System Administrator / Supporter)

to assist the ongoing research in all phases that require technical support. Research assistants are usually employed on a basis of 40-60h a month. Position lasts for 6 month or longer. Anticipated start date is June 15th 2017.

Main Tasks

- ⤴ Support the group concerning hardware and software
- ⤴ Evaluate software solutions
- ⤴ Develop manuals and guidelines
- ⤴ Organizational tasks

Requirements

- ⤴ Linux and Windows server skills
- ⤴ Windows, Mac, and Linux familiarity incl. Microsoft office
- ⤴ Basic computer (hardware and software) support
- ⤴ Good German and English skills
- ⤴ Enrolled at a German University
- ⤴ Reliable and ready to provide a high level of commitment

What we offer

The center for Adaptive Rationality is investigating various aspects of judgment and decision making. We offer you the chance to participate in an international and interdisciplinary research team. Research assistants will be involved in research using behavioral, computational and/or neuroscience methods to study the developmental basis for decision making. The Max Planck Society is committed to employing more handicapped individuals and especially encourages them to apply. The Max Planck Society seeks to increase the number of women in those areas where they are underrepresented and therefore explicitly encourages women to apply.

How to apply

The deadline for submitting applications is **June 1st, 2017**. Please send your application electronically to **arc-jobs@mpib-berlin.mpg.de** using the subject line “**Application PROGR1504**”. Your application should include the following documents in a single PDF document: (a) a short motivation letter, (b) CV, (c) school and further certificates.
